

# Kaitake Sport Pony Stud

## Service Agreement for the 2011/2012 season

I hereby confirm application for a booking to Kaitake Tuatahi upon the following terms and conditions:

1. The service fee *includes* a non-refundable booking/breeding fee of \$150 payable in advance.
2. See below service fees and conditions of agreement:

**Natural Service Fee \$800 plus GST**

(To be naturally served at Stud's discretion.)

**AI Service Fee 2011-12 \$1000 plus GST (Mare at Kaitake Stud Property)**

Fee includes the Semen Collection, Semen Count and Insemination using Vet this season.

(If the first service/cycle does not take the second and any further services will incur the vet fees of collection, count and insemination. To be discussed with Mare owner)

**AI Service Fee 2011-12 \$800 plus GST (Mare off Kaitake Stud Property)**

Fee includes the Semen Collection, Semen Count Preparation and Packaging.

(If the first service/cycle does not take the second and any further collections may incur an additional cost to the Mare Owner due to provision of additional equipment and Semen extender. To be discussed at Stud masters discretion)

Transportation costs of Semen will be charged to mare owner.

(Excluding packaging and Equitainer carrier box (to be returned to Stud))

**NOTE:**

All scans and any other veterinary costs incurred will be charged to mare owner.

Farrier if required will be charged to mare owner

It may be necessary to PG and Corolon the mare this will be charged to mare owner.

Grazing/handling \$35 + GST per week - not inclusive of any extra feed mare may require.

*Please note that all decisions regarding extra's such as scans, PG, farrier and vet calls will always be discussed with owner before proceeding.*

3. A live foal guarantee exists up to 24 hours of age.  
If a live insurable foal does not eventuate a free return service will be given in the same or following breeding season. The Stud reserves the right to allow for some leniency in favour of the mare owner in the matter of defining "live foal".
4. A free return service will be given if a manual pregnancy test proves negative 42 days after service. (under vets advice)
5. The live foal guarantee does not apply:
  - (a) If the mare is sold, exported or dies.
  - (b) If the mare is not foaled under veterinary supervision (open to negotiation at discretion of stud owner)
  - (c) If the mare is not vaccinated for EHV (open to negotiation at discretion of stud owner) *Please discuss any concerns regarding any of the above as we are open to any and all fair decisions but need to ensure that health and safety of the Stallion prevails.*
6. The stud reserves the right to refuse any mare.
7. A veterinary certificate must accompany mare proving registration and freedom from disease or infection (open to negotiation at discretion of stud owner).
8. Grazing charges are \$35 + GST per week in addition to all outstanding fees and or costs are payable upon uplift of the mare.
9. The stud has the owner's permission to employ veterinary assistance and if necessary administer any remedy at the veterinarian's discretion. Wherever possible the stud shall consult the owner prior to employing veterinary assistance.
10. All mares are under the stud's care and are run at owner's risk.
11. All mares to be served naturally must have their shoes removed.
